

Guide for certifications exams

PHP Programming with Laravel from [Laravel.com](https://laravel.com)

Welcome

Dear students in our course **PHP programming + Laravel,**

- Each student from this course has right to sit for **PHP programming + Laravel Certificate**, if he complete the training by:
 1. Attend the training at least 70% of the total training hours
 2. Pass the post class assessment with more than 70% score
 3. Complete the project assignment
- All participants, that complete these steps will receive an exam voucher
- We will provide you a certification voucher
- You will register for an online exam
- You will sit for exam at chosen date and hour

Project assignment

This course includes project assignment as part of the training:

- Each student must complete a project assignment, individually or as part of a team.
- This project assignment will be part of his/her portfolio and will vary from course to course.
- At end of the course, student will present to trainer his/her project work as a prerequisite to receive exam voucher.

Certification logistics
