

Guide for certifications exams

Certified Blockchain Business Foundations (CBBF)

from Blockchain Training Alliance

Welcome

Dear students in our course Certified Blockchain Business Foundations (CBBF),

- Each student from this course has right to sit for **Certified Blockchain Business Foundations (CBBF)** international exam, if he complete the training by:
 1. Attend the training at least 70% of the total training hours
 2. Pass the post class assessment with more than 70% score
 3. Complete the project assignment
- All participants, that complete these steps will receive an exam voucher
- We will provide you a certification voucher
- You will register for an online exam
- You will sit for exam at chosen date and hour

Project assignment

This course includes project assignment as part of the training:

- Each student must complete a project assignment, individually or as part of a team.
- This project assignment will be part of his/her portfolio and will vary from course to course.
- At end of the course, student will present to trainer his/her project work as a prerequisite to receive exam voucher.

Exam logistics

- After you receive your exam voucher, you will see in your BTA portal the **"Launch Exam"** option under the Exams Tab.
- Once you begin your exam you cannot exit it. Please choose a quiet place and time slot, when you will have enough time without interruption.
- A student who does not pass an exam must wait at least 48 hours to retake the exam and can contact BTA for one free retake.
- For more information about the exam, you can visit vendor link:
