

Guide for certifications exams

Mobile Development with React Native

Welcome

Dear students in our **Mobile Development with React Native** course,

- Each student from this course received a subscription for Udemy portal and The Complete React Native + Hooks Course – which is your International Certification Voucher.
- You need to register for and complete the “**The Complete React Native + Hooks**” course from

<https://www.udemy.com/course/the-complete-react-native-and-redux-course/>

- It is 18 sections, 435 lectures for over 38h total length and is a complement material to our course

Project assignment

This course includes project assignment as part of the training:

- Each student must complete a project assignment, individually or as part of a team.
- This project assignment will be part of his/her portfolio and will vary from course to course.
- At end of the course, student will present to trainer his/her project work as a prerequisite to receive exam voucher.
