# Then you must read and agree to the online testing policies

If you choose to take the test through our online proctoring function, which is not mandatory in the event that there are other ways of taking the test as determined by the testing programme sponsor, you will be monitored during the testing session in real time so that your face, voice, desk and workspace will be captured and possibly recorded during the testing session. You understand, acknowledge and agree that you have no right to privacy at your current location during the exam testing session and you explicitly waive any and all claims asserting a right to individual privacy or other similar claims. By accessing this website and ticking this box you signify your acknowledgement and agreement that any inappropriate or wrongful conduct, as determined in Pearson VUE's or the test proctor's sole discretion, witnessed while monitoring your testing session at your current location will be reported by Pearson VUE to the testing programme sponsor and may also be reported to the appropriate governmental authorities, including, but not limited to, any law enforcement officials.

By accessing this website and ticking this box you signify that you understand, acknowledge and agree that if any third party is: 1) **detected as being present in your physical location, whether visible or not; or 2) overheard in any manner, whether physically detected through movement and making of noise or through sounds irrespective of whether they are in your current location or not during your testing session, the test will be terminated and you will not receive any score or in the event you've completed the test and received a score your score may be invalidated or revoked.** Further, you understand, acknowledge and agree that if your testing session is terminated for this or any other reason you will not receive a test fee refund, credit or voucher.
