

Guide for certifications exams

ISTQB® Foundation Level

Certification by GASQ

Welcome

Dear students in **QA Functional Testing** course,

- Each student from this course has right to sit for ISTQB® Foundational Level international certification, if he complete the training by:
 1. Attend the training at least 70% of the total training hours
 2. Pass the post class assessment with more than 70% score.
- All participants, that completes the training and pass internal exam with 70% score or higher will receive an exam voucher.
- We will register you for an online exam, at least 5 working days in advance
- You will sit for exam at chosen date and hour

Exam logistics

Here is how we will do it:

- You will submit desired date and hour for exam – 1 week in advance
- We will register you in vendor portal for delivery of online exam
- You need to check your computer and test environment according to received email from vendor
- After checking the system, you will get access code for the real exam. You must do this not later than 48 hours, before the exam. If possible do not change the environment – computer, network, etc.
- After exam, please send the exam score to gita@newhorizons.bg
- For more information on exam process visit:
