ABOUT ME

Experienced Project Manager in software industry since 2003. For the first 4 years I have worked as a software engineer. Since 2007 I have been a project manager and since 2013 have specialized in program management at international companies. I have experience in various industries – software, telecommunications, banking – working on projects with traditional and flexible methodologies.

WORK EXPERIENCE

Senior Technical Program Manager

VMware [12/05/2019 – Current]
